- LinkedIn - MdAshrafUllah

## ABOUT ME

Mobile application developer with hands-on experience in designing, developing, testing, and publishing cross-platform applications using Flutter and Dart. Skilled in building modern, scalable, and high-performance mobile applications from UI design to Store deployment. Passionate about problem-solving, application optimization, and delivering reliable products.

## WORK EXPERIENCE

### XENTRO
SEP 2024 - PRESENT
Flutter Developer | (Full-time | Onsite)
Chattogram, Bangladesh

- Designed complete UI from scratch following modern UI/UX practices.
- Developed full Flutter applications for Android and iOS platforms.
- Integrated Firebase services including Push Notifications, Crashlytics, AdMob and Database.
- Worked with REST APIs and third-party integrations.
- Debugged, optimized, and improved performance and stability.
- Managed Store deployment process including release builds, application signing, and updates.

### AMRALAB
DEC 2023 - FEB 2024
